SHELF FEEDER

WEAN TO FINISH | WET OR DRY

- | Made of stainless steel.
- | Screwed strong construction.
- | Feeding shelf enabling access to dry feed.
- | Stainless steel nipples under the shelf - slop feed in the trough.
- | Wean to finish design in one feeder - special removable inserts lowering the feeding shelf for small animals.
- | Precise and durable feed flow adjustment.
- | Trough edge preventing feed waste.
- | Vertical dividers between feeding places, less stress for animals.
